Minor adjustments

- **ECS-7920/Feature 25076 Price update function in Harmony**

Possibility to use reports generated from "Online reports" containing the word "Attr" in the headline.

- **ECS-10812 Replishment with Pallet flagged package**

Replenishment is now possible with a package that has a pallet flag, even if it should be replenished to a fixed storage location of the type "Pick warehouse (pallet)" and comes from a location of the type "Reserve warehouse (pallet)".

- **ECS-3702 Routine Invoices to history**

Adjustment in the routine PXX4090 - Invoices to history, to consider Invoices that are linked to a receipt.

Harmony Desktop Client

- Reload of Harmony for a new version is required.
