Release information

Harmony Release

- Feature 22898 - VIP Loyalty
Process for updating "Due date" on invoices of the type "VIP-loyalty".
This process makes It possible to generate reminders for "VIP-loyalty" invoices in Harmony.
- Feature 22598 - B2B API
We have opened an API with 3 endpoint so you can send Purchase order, fetch Stock and send Customer orders. This has B2B unique logic so this can only be applied by B2B. (Customer specific development)
- Feature 21424 - Adjustments made for setting "unlimited stock balance" for certain type of items in the stock balance import from external partner. (Customer specific development)
- Feature 19898 - Adjustments made for handling of bulky items and Harmony invoice split functionality. (Customer specific development)

Bug fixes

- Feature 23054 - Set the checkmark "Print" by default on the prepayment invoice. (Adjustment)

Harmony Desktop Client

- Update is required.
