## Release information

### Harmony Released Features

- Feature 23763 Adjustment Gifts in order for existing customers**  
 Gifts can now be registered for other orders than introduction orders  
 The functionality is managed with a setting that EC manages.
- Feature 22170 - Possibility to register account number without BIC**  
 It is now possible to register account number for refund without registration of BIC-code (Germany - Postbank). Customer specific development.
- Feature 22775 - Engagement type in Loyalty pop-up**  
 We have added a new column for "Channel" in the Loyalty pop-up.  
 Channel is an Engagement type that is connected to the Sales channel, several Sales channels can have the same Engagement type. However, most companies have different engagement types in different sales channels.

### Minor adjustments & Bug fixes

- ECS-5909 - Intrastat**  
 Smaller adjustment for Intrastat from Germany to Austria.

### Harmony Desktop Client

- Reload of Harmony for a new version is required.
