Harmony Released Features

- Feature 23676/ECS-4695
Default email address is now removed in the integration between Harmony and payment solution for Adyen. This is a request from Adyen to EC.
- Feature 22513
New solution for search by Social Security Number (SSN) and customer address monitoring via Valitive (Decidas) - Add on release.
 - 1) EC are implementing the new API-solution from Valitive for search by SSN in Sweden, Norway and Finland.
 - 2) EC are also implementing the API-monitoring possibility from Valitive for Swedish address data.

Both services are add on modules in Harmony and they also require a separate agreement (contract) with Valitive.
